

Thank you so much for your interest in the Creamery.

We are very proud of our fantastic team members here at the Creamery.

We are also very fortunate that most of our employees tend to stay with us for at least 3 or 4 seasons. That said, we usually lose a few of our trusted employees each year, and are always on the lookout for the next great employee.

Please take the following into consideration, before applying:

- Our staff members are all EXTREMELY polite, outgoing, friendly, and can easily work as part of a team. They enjoy helping others, they greet customers promptly, and they are able to make all our guests smile.
- Our employees must have a great work ethic. We need staff members that are dependable, on time, and are able to keep a close eye on their work schedule.
- They must also be able to keep busy when we have down time, be able to multi-task, and be great at following instructions, both written and verbal.
- We look for people that can stay calm, but can still hustle and scoop on, when it gets busy.
- We look for people that can work our busiest times; nights, weekends, and holidays. We try to be as flexible as possible and will do our best to work around your school, church and sports schedules.
- We look for people that are able to work through our closing on October 30th. Lots of our employees head off to college in late August, and the new employees must be able to fill in the gaps when they leave. We give extra points to any senior, who is staying local for college, and can work in the spring and fall. 😊
- We look for new team members that have flexible schedules, and are able to pick up extra shifts, when possible.

- All employees will start out as a scooper, but you may be able to train on our other positions: waffle cone maker, cake writer, cake decorator, traffic control, etc.
-

Working here is a great first job. You have fantastic co-workers, you are surrounded by amazing ice cream, and you get to see many of your friends and family members when they come to the shop. It's also a job that can get a little bit stressful; as our shop gets busy, and STAYS busy, especially when the weather is nice.

A positive attitude, self confidence, and a great sense of humor are all a MUST!

Our Scheduling Requirements:

- The minimum scheduling requirement per week is 15 hours, including two weekend shifts (one weekend day shift and one closing shift) and 1 or 2 weekday shifts.
- The majority of our staff works 15 hours during the school year, and 20-25 hours during the summer. You must be able to work nights, weekends, and on the three major summer holidays.
- One or two missed weekends as part of a 2 week vacation are acceptable, but only if we are notified beforehand.
- If you will miss more than two full weekends or are taking more than two weeks of vacation during the year, please do not apply to the Creamery.
- Starting pay is \$13.00 per hour + tips, and an ice cream pint to take home after every shift.
